

# Princess V58

## Desire

The Princess V58 “Desire” has been designed for those who wish to spend more of their time above deck, getting in touch with the world around them and truly experiencing what a sports yacht has to offer.

The dynamic profile of the V58 conceals a spacious interior and exterior, perfect for relaxing or making longer journeys in supreme comfort. Access to the interior is via the bathing platform, leading to a teak deck which runs throughout the living and bow area where you can find a large sunbathing pad to enjoy the sun. The cockpit connects to the spacious main saloon via a staircase, seamlessly integrating both living areas. Plus, with the electric opening sunroof over the main deck, you can truly open yourself up to the elements. Below deck, there is spacious accommodation for up to six guests across three beautifully appointed cabins.
